#### **Summit Frame Tents**

High-peaked frame tents in 10', 15' and 20' width with colored accents stripes which are ideal for fairs, festivals and corporate events. Please inquire for pricing and availability.

#### **Pole Tents**

Our line of Summit Series Tension Pole Tents are in stock in 60', 80', and 100' widths. With a 10' leg height and a maximum height of 35', the tensioned fabric has been designed to withstand the elements far better than traditional push-pole and ball-ring tents. With no quarter-poles or hip poles, these tension pole tents provide a very cost-effective way to provide a large venue. Please inquire for price and availability.

#### **Structures**

We inventory a line of engineered and certified clear span structures from 50' (15M) to widths up to 100' (30M) with a 10' (3M) and 13' (4M) leg height. We inventory tops in white, black and clear fabrics along with sidewall to match in solid, clear, black and round top window walls for all our structures. These structures are ideal for extended rentals, additional warehouse/office space or a semi-permanent
